Will you be able to attend most every game and practice?

Important Dates:

The TOPS program will begin on the **September 18th** and end on **October 30th**
Buddy Training dates will be determined closer to the start date.

Buddies are asked to arrive **15 minutes** before each TOPS session.

We would like Buddies to commit to attend the training session and at least 4 other sessions, and we encourage Buddies to attend as many sessions as possible.
